

FUN 'N' DANCE
PAJAMA & PIZZA PARTY for HipKids
SATURDAY, NOVEMBER 30

ALL Fun 'n' Dance students are invited to a *fun* team-building event on **Saturday, November 30** from **5.00 - 8.30pm** in the dance studio at the Rosedale community centre. Students should arrive in their *pajamas* or *onesies* and wear their *favourite slippers*; they can also bring along a *pillow* or *blanket* to sit on.

To start off the party, we are going to be organizing donated items for 2 HipKids projects:

January Project: "Winter Wear!"

You can help those experiencing homelessness keep warm. We need mittens, hats, scarves, new or handmade - this is a great act of kindness for those who love to knit, crochet or sew 😊 You can also donate new socks, new or gently used winterwear (coats, boots, and vests), and handwarmers.

February Project: "Art is Love!"

Art supplies are needed to empower children and youth to express themselves through creative play which supports good mental health. You can help by donating crayons, paints, paint brushes, canvases, journals, pipe cleaners, and coloring books (for all ages).

Donated items can be brought into the studio **any time before** the event on November 30 as well as on the actual day of the party. We shall also be dancing, playing games, eating pizza and watching a movie and cleaning up by **8.30pm**. If younger students need to leave earlier than 8.30pm, parents can pick them up at any time.

***Please RSVP Miss Julie by Wednesday November 27** to let her know your child(ren) will be coming to the event as she needs to know how much pizza to order. We also require 6 parent volunteers to help run the event, if you are interested, please email Miss Julie at office@funndance.com

***N.B.** – *A reminder that if you would like to volunteer at the party, we require a valid 'Police Information Check'. A police check that has been completed for our year-end performance last May would be valid as would a check completed for volunteering with the CBE.*

We really hope you can make it. It's going to be a *fun* evening, we are looking forward to it!!
